Dear Pike Township Residents,

Due to the spread of the COVID-19 virus, I want you to know I take this crisis very seriously and providing services is a number one priority. My responsibility to the Pike Township Community as the Trustee is to provide Emergency Assistance to anyone who is in need. The Pike Township Trustee's Office will continue to provide services and assistance in the areas of:

- Rent/Mortgage
- Utilities
- Food
- Burials

Our office will continue to work diligently to assist the residents of Pike Township and aide in every way possible during this crisis.

Remember, it is important to know my office personnel and staff are working together as a team to provide needed services, albeit remotely to keep themselves and members of the public safe.

As we move through the next couple of weeks, it is important that landlords and utility companies understand we need their help as well to ensure everyone has access to their basic needs.

If you would like to make an appointment for Emergency Assistance, contact our office at 317-291-5801. If you have any questions or concerns, please do not hesitate to call me or anyone of our caseworkers at our office at (317) 291-7801
